

(5) any allocations of Special Drawing Rights approved by the International Monetary Fund to help with the purchase of COVID-19 vaccines and stem the worst economic impact of the pandemic should include ongoing efforts to discourage countries that are allies of the United States from exchanging Special Drawing Rights for hard currencies with rogue countries and follow-up by the International Monetary Fund to audit how such allocations were spent.

SA 2015. Mr. DAINES submitted an amendment intended to be proposed to amendment SA 1502 proposed by Mr. SCHUMER to the bill S. 1260, to establish a new Directorate for Technology and Innovation in the National Science Foundation, to establish a regional technology hub program, to require a strategy and report on economic security, science, research, innovation, manufacturing, and job creation, to establish a critical supply chain resiliency program, and for other purposes; which was ordered to lie on the table; as follows:

At the end of title V of division C, add the following:

SEC. 3505. POLICY OF UNITED STATES ON MAINTAINING SUPERIORITY OF UNITED STATES NUCLEAR FORCES.

(a) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the modernization of the land-based intercontinental ballistic missile, ballistic missile submarines, and nuclear-capable heavy bomber aircraft is essential to maintaining a competitive edge over the People's Republic of China and providing security for allies of the United States in the region;

(2) continued support for the modernization of the nuclear triad will be a necessary consideration during ratification of any future arms control treaty with the People's Republic of China;

(3) the nuclear forces of the People's Republic of China will significantly evolve over the decade after the date of the enactment of this Act as the People's Republic of China modernizes, diversifies, and increases the number of its land-, sea-, and air-based nuclear delivery platforms;

(4) the People's Republic of China is pursuing a nuclear triad with the development of a nuclear-capable air-launched ballistic missile and improving its ground and sea-based nuclear capabilities; and

(5) new developments in 2019 further suggest that the People's Republic of China intends to increase the peacetime readiness of its nuclear forces by moving to a launch-on-warning posture with an expanded silo-based force.

(b) STATEMENT OF POLICY.—It is the policy of the United States—

(1) to advance the strategic deterrence capabilities of the United States both quantitatively and qualitatively;

(2) to ensure the safety, reliability, and performance of the nuclear forces of the United States;

(3) to fully modernize the United States nuclear triad as needed to maintain the premier nuclear force on the planet; and

(4) that any new nuclear arms limitation treaties must include the People's Republic of China before ratification.

SA 2016. Mr. SANDERS (for himself and Ms. WARREN) submitted an amendment intended to be proposed to amendment SA 1502 proposed by Mr. SCHUMER to the bill S. 1260, to establish a new Directorate for Technology and

Innovation in the National Science Foundation, to establish a regional technology hub program, to require a strategy and report on economic security, science, research, innovation, manufacturing, and job creation, to establish a critical supply chain resiliency program, and for other purposes; which was ordered to lie on the table; as follows:

On page 23, between lines 7 and 8, insert the following:

(5) CONDITIONS OF RECEIPT.—

(A) REQUIRED AGREEMENT.—A covered entity to which the Secretary of Commerce awards Federal financial assistance under section 9902 of the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021 (Public Law 116-283) or paragraph (3) of this subsection with amounts appropriated under this subsection shall enter into an agreement that specifies that, during the 5-year period immediately following the award of the Federal financial assistance—

(i) the covered entity will not—

(I) repurchase an equity security that is listed on a national securities exchange of the covered entity or any parent company of the covered entity, except to the extent required under a contractual obligation that is in effect as of the date of enactment of this Act;

(II) outsource or offshore jobs to a location outside of the United States; or

(III) abrogate existing collective bargaining agreements; and

(ii) the covered entity will remain neutral in any union organizing effort.

(B) FINANCIAL PROTECTION OF GOVERNMENT.—

(i) IN GENERAL.—The Secretary of Commerce may not award Federal financial assistance to a covered entity under section 9902 of the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021 (Public Law 116-283) or paragraph (3) of this subsection with amounts appropriated under this subsection, unless—

(I)(aa) the covered entity has issued securities that are traded on a national securities exchange; and

(bb) the Secretary of the Treasury receives a warrant or equity interest in the covered entity; or

(II) in the case of any covered entity other than a covered entity described in subclause (I), the Secretary of the Treasury receives, in the discretion of the Secretary of the Treasury—

(aa) a warrant or equity interest in the covered entity; or

(bb) a senior debt instrument issued by the covered entity.

(ii) TERMS AND CONDITIONS.—The terms and conditions of any warrant, equity interest, or senior debt instrument received under clause (i) shall be set by the Secretary of Commerce and shall meet the following requirements:

(I) PURPOSES.—Such terms and conditions shall be designed to provide for a reasonable participation by the Secretary of Commerce, for the benefit of taxpayers, in equity appreciation in the case of a warrant or other equity interest, or a reasonable interest rate premium, in the case of a debt instrument.

(II) AUTHORITY TO SELL, EXERCISE, OR SURRENDER.—For the primary benefit of taxpayers, the Secretary of Commerce may sell, exercise, or surrender a warrant or any senior debt instrument received under this subparagraph. The Secretary of Commerce shall not exercise voting power with respect to any shares of common stock acquired under this subparagraph.

(III) SUFFICIENCY.—If the Secretary of Commerce determines that a covered entity cannot feasibly issue warrants or other equity interests as required by this subparagraph, the Secretary of Commerce may accept a senior debt instrument in an amount and on such terms as the Secretary of Commerce deems appropriate.

SA 2017. Ms. ERNST (for herself and Ms. HASSAN) submitted an amendment intended to be proposed by her to the bill S. 1260, to establish a new Directorate for Technology and Innovation in the National Science Foundation, to establish a regional technology hub program, to require a strategy and report on economic security, science, research, innovation, manufacturing, and job creation, to establish a critical supply chain resiliency program, and for other purposes; which was ordered to lie on the table; as follows:

At the appropriate place, insert the following:

SEC. ____ DISCLOSURE REQUIREMENTS FOR RECIPIENTS OF NSF FUNDS.

The National Science Foundation Act of 1950 (42 U.S.C. 1861 et seq.) is amended by inserting after section 11 the following:

“SEC. 11A. DISCLOSURE REQUIREMENTS FOR RECIPIENTS OF NSF FUNDS.

“A grantee or subgrantee carrying out a program, project, or activity that is, in whole or in part, carried out using funds provided by the Foundation shall clearly state, to the extent possible, in any statement, press release, request for proposals, bid solicitation, or other document describing the program, project, or activity, other than a communication containing not more than 280 characters—

“(1) the percentage of the total costs of the program, project, or activity which will be financed with funds provided by the Foundation;

“(2) the dollar amount of the funds provided by the Foundation made available for the program, project, or activity; and

“(3) the percentage of the total costs of, and dollar amount for, the program, project, or activity that will be financed by non-governmental sources.”.

SA 2018. Mr. THUNE submitted an amendment intended to be proposed to amendment SA 1502 proposed by Mr. SCHUMER to the bill S. 1260, to establish a new Directorate for Technology and Innovation in the National Science Foundation, to establish a regional technology hub program, to require a strategy and report on economic security, science, research, innovation, manufacturing, and job creation, to establish a critical supply chain resiliency program, and for other purposes; which was ordered to lie on the table; as follows:

At the end of title III of division F, add the following:

SEC. 6302. VEHICLE TECHNOLOGY COMPETITIVENESS.

(a) FINDINGS.—Congress finds that—

(1) the Government of the People's Republic of China is investing in developing innovative technologies with commercial and military applications, including autonomous vehicles;

(2) the municipal government of Shanghai alone has planned investments of \$15,000,000,000 over 10 years for research and development;
